onClick Go to Chatbot hyperlink, onClick Get Recommendation:

The screenshot shows the 'Welcome to the Golf Caddy App' interface. The user has entered the following information: User ID: 5, Player Name: Bob Smith, Handicap: 15, Driver Distance: 250, 7 Iron Distance: 140, and Characteristics: slice ball; low flight. The 'Go to Chatbot' hyperlink is highlighted. The chatbot has responded with a recommendation: 'I am on the fourth golf hole of pebble beach. second shot, 120 yards, pin is back right protected by bunkers left and right. wind is off my left, slightly into my face.' The 'Get Recommendation' button is highlighted.

User ID: 5

I am on the fourth golf hole of pebble beach. second shot, 120 yards, pin is back right protected by bunkers left and right. wind is off my left, slightly into my face.

User Input:

Get Recommendation

Chatbot Recommendation:

Given the conditions you've described, I recommend using your 7 iron for this shot. Aim slightly left of the pin to account for the wind coming off your left. Your typical distance with a 7 iron is 140 yards, so adjust your swing accordingly for the shorter distance to account for the wind and the pin location being at the back of the green. Remember to maintain a smooth swing and stay focused on your target. Let's make sure to avoid those bunkers and set you up for a good chance at par on this hole.
